CONGRATULATIONS TO OUR 2014 WINNERS!

Thousands of readers in our communities have taken the time to share their favorites so we can share this outstanding list of places to go and things to do.

Readers Choice ballots were published in January and February, and hundreds of thousands of votes were cast both in print and online for more than 75 categories.

Just to be fair, there were no tiebreakers, so you may see multiple winners in some categories. The winners in all categories reflect the choice of our readers, and are verified within reason by Automated Solutions Direct (an independent firm hired to tabulate votes and results).

This survey is conducted as a reader poll and not as a scientific research poll. All ballots received prior to the deadline and met the ballot qualifications were tabulated and entered into a drawing to win prizes, including an iPad Mini, baseball tickets, and local gift certificates.

This section is meant to give you a chance to award recognition to some of the people and establishments who bring outstanding service and value to our communities and to our lives. Readers Choice isn't scientific, nor is it perfect (some misspellings may occur due to incorrect submissions on the ballot), but it is fun!

We also have an exciting website and social media interaction at www.wickedlocafavorites.com. Join the conversation at #wickedfavorites, and make sure to like us on Facebook. If you visit a place you read about in Readers Choice, tell the business and tell us. If you visit a Readers Choice winner, past or present, share a photo of the business or their certificate with us. Let's share all the great things our area has to offer.

Congratulations to all of our winners and thanks to the thousands of readers who took part in making Wicked Local's Readers Choice Awards 2014 another successful event.

Sincerely,
